

## **LETTER OF CLOSING**

**It is with a heavy heart that we share this news with you, our loyal customers, Fare and Just is coming to an end. You have kept us going with your consistent business, your smiles, and your conversation. We've come to know a lot of you personally, which makes this so hard.**

**It has been a great 4 years serving you creative and wholesome plant-based food made from scratch. We've consistently sourced quality ingredients in that time to serve you the best products available.**

**Due to recent personal issues that have arisen in our lives, we are no longer able to stay open.**

**WE WILL BE CLOSING ON MARCH 31,2024**

**We are putting our space up for sale, including all dry goods, supplements, pots and pans, paper products, machinery inside, and odds and ends. This space would be perfect for someone to come in and immediately start, or expand their business right away. If there's anyone interested in this space, please private message Peter @fareandjust on Instagram or Fare and Just Kitchen on Facebook to set up an appointment. Please spread the word.**

**We have been so fortunate for our time here and so grateful to all of you. We will miss your smiling faces but will take them with us in spirit as we navigate our future. *Thank you from the bottom of our hearts.***
